

# The Navajo Nation

*DR. JOE SHIRLEY, JR.*  
President

*BEN SHELLY*  
Vice President

January 11, 2010

Greetings!

The Navajo Nation's Division of Natural Resources Conference/Expo 2010 is scheduled for April 13-15, 2010 at the Buffalo Thunder Resort beneath the beautiful Sangre de Cristo Mountains, Pojoaque, New Mexico. Last year, we showcased the many services, projects and opportunities the Division is involved in on behalf of the Navajo Nation and the Navajo People. Our event was a tremendous success; therefore, we would like to continue our efforts to share and communicate important natural resources management and development projects, services, and initiatives with the Navajo Nation public. A successful conference of this magnitude takes hard work, leadership and partnerships. I would like to invite you and your company or Federal/State agency to become a sponsor and assist in making the 4<sup>th</sup> Annual Navajo Nation's Division of Natural Resources Conference/Exposition 2010 another great success.

Last year's event topped over 800 attendees and we are planning between 800 and 1,000 attendees this year. We anticipate attendees to include Navajo Nation Council Delegates, Chapter leaders and officials, Executive Branch staff, including Division of Natural Resources staff, federal agencies and the general public living on and off the Reservation. The tradeshow will allow you to publicize your company or organization, which in turn, may bring awareness and improve business for your company. We look forward to your participation.

There are five levels of sponsorship available for this conference. If you have any questions, or would like to discuss other levels of sponsorship, please call Ms. Hope Wilson at (928) 729-4127 or Ms. Susan Day at (928) 729-4003. Thank you and I look forward to seeing you in April.

Sincerely,

DIVISION OF NATURAL RESOURCES
