

# DNR Conference

# AGENDA

## OBJECTIVE:

To educate and disseminate information pertaining to various uses of Navajo Natural Resources. Land is the foundation of all walks of life; Water is the foundation for all living life which gives us the Power to protect and improve the Navajo Nation's Quality of Life

## Who Should Attend:

### Tribal Employees

Chapter Officials (President, Vice President, Secretary, Treasurer, Grazing Committee Members, Land Board Members, and Farm Board Members)

### Chapter Land Use Committee Members

### State Employees

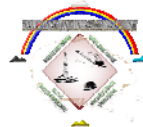

### Federal Employees

### County Employees

### Students

### General Public

### Council Delegates of the Navajo Nation

We will showcase the many services and opportunities we provide to the Navajo Nation and the Navajo People.

With rural development taking place in every Chapter on the Navajo Nation, our goal is to maintain balance between the growth of our Nation to conserve the integrity of the natural beauty of our land.

Our challenge is ongoing; to secure and ensure the effective use of our natural resources for the benefit of our people and the future generation to come.

This event is to allow the Departments within DNR to educate and disseminate information pertaining to its various uses of Navajo Natural Resources to Navajo Nation Chapter elected officials; Community Land Use Committee members; Tribal/State/Federal County/City Employees and the General Public.
