Dear Friend,

The Navajo Nations Division of Natural Resources is holding its 4<sup>th</sup> annual Expo this year at the Buffalo Thunder resort near Santa Fe, NM. This expo showcases the many services and opportunities of the Division. This year in conjunction with the conference we are holding the second annual DNR Golf Classic. The golf tournament will be held on April 12, 2010 at the beautiful Towa golf course designed by Hale Irwin at Buffalo Thunder.

This year is a little different because we want to use the profits from our golf tournament for a special group of people. We have decided to organize and send care packages to our active duty Navajo Veterans serving in Iraq and Afghanistan. Some items to be included in these unique care packages would be issues of Navajo Times, NAPI fry bread mix, cultural posters from the Navajo Nation Museum, items from our DNR departments, and many other things to bring the Navajo Nation to them.

In order to make this special endeavor a reality we need your help. I hope you can assist with this project with a donation for a raffle or a sponsorship. We have many levels to give which accommodate all budgets. If you have any questions or would like to discuss your gift please call me for more info. Please help us send a small token of our appreciation to our Navajo Veterans in Iraq and Afghanistan.

Sincerely
